Remarks

Beautiful 3 bedroom, 2.5 bath Canton colonial situated on a large lot with a serene backyard offering plenty of space for outdoor enjoyment. The home features a flowing floor plan with a spacious living room, formal dining room, and huge great room designed for comfort and entertaining. The kitchen offers newer cabinets and hardware, granite countertops, and a decorative marble backsplash, with sliding door access to the spacious deck from both the kitchen nook and great room. Hardwood flooring throughout the main level, carpeted upper-level bedrooms, decorative energy-efficient double-pane windows throughout, and a 2-car attached garage with direct access. Unfinished basement offers potential for additional living or entertainment space. Appliances included, excluding washer and dryer. New roof and siding in 2024. All information deemed reliable but not guaranteed and should be independently verified.
